

Guidance: Grow legumes in grassland to replace nutrient inputs

Find out how land managers can reduce their carbon footprint, improve water and air quality and protect wildlife by using less nitrogen.

Guidance: Create ponds and lakes

Find out how land managers can create new clean freshwater ponds and lakes to benefit wildlife and improve the landscape.

Guidance: Maintain and enhance ponds and lakes

Find out how land managers can keep ponds and lakes in good condition for wildlife.

Guidance: Create and manage ditches for wildlife

Find out how land managers can improve habitats for wildlife by creating and managing ditches.

Support for veterans

If you are struggling as a result of the recent events in Afghanistan, there is support available across the United Kingdom for veterans and those

affected.
