

Labour And Tory Governments Have Lied About the Impact Of Immigration On Housing

Successive Labour and Conservative governments have misled the public over the extent to which uncontrolled immigration impacts on the demand for new homes. That is the conclusion of a paper released today by Migration Watch, the independent immigration watchdog.

In handing out money to foreign criminals we must be mad

The handing of compensation to a Somali career criminal has been slammed by UKIP as an example of how our system is being systematically abused . Worse it is us who are allowing this to happen.

Save Rudolph . . . Sleigh HS2

West Midlands MEP Jill Seymour has launched a petition calling for Government intervention to prevent the largest herd of reindeer outside Scandinavia from being culled. The 'Save Rudolph – Sleigh HS2' campaign is a bid to prevent Blithbury Lodge in Staffordshire from being decimated by the high-speed rail line.

MARGOT PARKER: We Need To Unite To Fight For A Clean Brexit

IT has certainly been a busy few months for all of us in UKIP as we seek to keep the Government focused on a clean Brexit – a Brexit, after all, the people voted for last year.

In September, after the leadership election, I was delighted to be asked by the new leader Henry Bolton to be his deputy.
