

BINGLEY: Homes fit for ISIS is sick and self-destructive

Richard Bingley, UKIP's spokesman on Terrorism said: "The discovery that the Government is considering, under Operation Constrain, using the hard pressed social housing stock to encourage ISIS terrorists to give up their Jihad against our society must be opposed at all levels.

Mike Hookem MEP – "Britain's Fishing Industry Betrayed Again!"

UKIP fisheries spokesman, Mike Hookem MEP, has blasted a decision by Theresa May's Conservative government to adopt the terms of the EU's Common Fisheries Policy (CFP) in the forthcoming Great Repeal Bill, saying the decision is "an utter betrayal of principles of Brexit."

Further details have emerged of last week's controversial meeting of EU Commission Security chiefs in Brussels, UKIP's Terrorism and Cyber Security Spokesman, Richard Bingley, has revealed.

The meeting which was designed to bring together emergency services in Brussels, to honour the victims of terrorism, was instead used as a launchpad to grab more national taxpayers' money and powers for the EU's expanding security apparatus.
