[Bolton calls for cool heads in Catalonia after horrific scenes](#)

Henry Bolton, the UKIP leader has called for cool heads following Sunday’s Catalan independence referendum. Though the Spanish courts had stated beforehand that the referendum was illegal. The Catalan authorities went ahead with the vote. The Spanish authorities responded by deploying riot police to close polling stations, seize ballot boxes and disperse people waiting to vote. Over 850 people have been hurt in associated clashes.

[Ray Finch MEP, the UKIP foreign affairs spokesman has denounced the behaviour of Spanish police and authorities for their behaviour opposing the Catalan Referendum.](#)

“The EU preaches about peace solidarity and democracy, it virtue signals about its values, but when Juncker backs Spain in its closed attitude to the Catalan’s demands for independence all the while encouraging those self same calls in Scotland it hypocrisy must become apparent to the most committed Europhile”
