## Visit to Baylab

I went to see Baylab, a schools initiative run by Bayer at their Green Park headquarters. The pharmaceutical and agrichemicals business provides up to a day of practical science for schoolchildren and six form students from local schools and Colleges. The participants undertake practical exercises to find out about issues like the role of bees, DNA, enzymes, forensics and cosmetic chemistry. This is a free lab service with workshops geared to the National Curriculum offered to groups from schools.

I thanked the team there for showing me round and for helping encourage young people to study more science and to find it rewarding and interesting.

## News story: Prince Harry and Meghan Markle meet Invictus Games UK Team hopefuls

His Royal Highness Prince Harry and Ms Meghan Markle met Invictus Games hopefuls today at the University of Bath Sports Training Village, ahead of the fourth Invictus Games being held down under in Sydney, Australia this October.

The Invictus Games, which have previously been held in London, Orlando and Toronto, set out to harness the power of sport to inspire recovery, support rehabilitation and generate a wider understanding and respect for our wounded, injured and sick servicemen and women.

Defence Minister, Tobias Ellwood, also met 2018 hopefuls today to see how they are using sport as part of their recovery journey.

Across the weekend, 5 – 8 April, hopefuls who have suffered a life-changing injury or illness will trial in nine different sports including Athletics, Archery, Wheelchair Basketball, Road Cycling, Powerlifting, Indoor Rowing, Wheelchair Rugby, Swimming and Sitting Volleyball. Last week (28-29 March), hopefuls also trialled in a new sport for the 2018 games; Sailing.

More hopefuls than ever before (451) have applied to take part in the 2018 Invictus Games and all hope to be selected as part of the 72-strong UK team that will head to Sydney. The UK team will be selected based on the benefit the Invictus Games will give an individual as part of their recovery, combined with performance and commitment to training.

The UK delegation to the 2018 Invictus Games is once again being delivered by a partnership comprising the Ministry of Defence, Help for Heroes and The Royal British Legion.

Defence Secretary Gavin Williamson said:

I wish all our serving troops and veterans taking part in this year's trials the best of luck. The Invictus Games demonstrate the positive impact of sport in the recovery process, and provide inspiration and opportunity to those that have suffered life changing injuries and illnesses whilst serving their country and keeping Britain safe.

The MOD is a partner in the [Defence Recovery Capability](#), a programme which helps wounded, injured and sick Service personnel either return to duty from injury or provides a mechanism to help them back into civilian life – link. A key activity of the Defence Recovery Capability is the Battle Back programme, an MOD initiative that delivers an adaptive sport and adventurous training programme.

# £3,000 for allowing the dumping of waste at Firgrove Lane

Joe Keet of Firgrove Lane, Wickham, Hants, has been fined £3,000 for knowingly permitting the deposit of controlled waste at Firgrove Lane, following a trial at Portsmouth Magistrates Court.

Jasper Smith and Phillip Jenkins, who brought some of the waste to the site, also pleaded guilty at Portsmouth Magistrates Court on 18 December 2017, where Mr Smith was fined £333 and Mr Jenkins £121, and they shared the £300 costs.

Joe Keet was fined £3,000 with a £170 victim surcharge and £1,904.75 costs after being found guilty by magistrates of knowingly allowing the deposit of controlled waste without the correct permit. This included construction and demolition waste, household clearance and commercial waste, waste wood, furniture, grab bags, black sacks of domestic waste, underlay and insulation.

Mike O'Neil, Environment Manager said:

Joe Keet's actions showed a blatant disregard for the environment. In cases like this, where the actions of individuals threaten to undermine legitimate businesses, we have no hesitation in prosecuting those involved. We, in fact, previously prosecuted Mr Keet in May 2016.

To ensure that the right waste gets to the right place, we encourage the public and businesses to check that their waste carrier is registered on Gov.UK and to ask to see a copy of the waste transfer note for the waste. If possible take a photo of the note on your phone.

Ends

## **Notes to Editor:**

Mr Keets was prosecuted under Section 33(1)(a) and (6) of the Environmental Protection Act 1990 (as amended)

Mr Smith and Mr Jenkins were prosecuted under section 34(1) and 34(6) of the Environmental Protection Act 1990
