Handmade in Britain Memorials

A beautiful and peaceful setting merges with the finest, hand made in Britain, memorials which showcase our British design ethos. Made to uphold true global architecture perfection.

The memorials are designed as 'safe systems' to negate Cemetery Authority health and safety regulations for headstones and sit amidst multiple interment burial chambers.

Ellery Hill

On the windswept Ellery Hill,

a Borderland aligned with lands upon which the English and Scots transgressed for many a year, the Spring splendour of the enticing sunshine last weekend temporarily

overcame the demoralising emissions of political events and medical catastrophes with Nature's power and overwhelming supremacy, showing us all Hope for the future.

Sheltering in a deep

footprint of a previously passing Native Bovine were two perfect and peaceful DAISY Blooms — the only Blooms seen over many acres that day.
