Multiple Interment Burial Systems

Multiple interment burial systems installed partially above ground. The layout configuration of these units reflects the 12 points of a clock, enhancing the round area of land and creating 36 additional full body interment opportunities.

[Memorial Options](#)

Environmentally advanced memorial options, available on a one-off bespoke basis or in large order quantities. Memorials can be installed over multi-interment burial chamber options if required.

[Burial Chambers & Stone Architecture](#)

Below ground double interment burial chambers adorned with architectural stone memorialisation. Can be installed in a variety of potential landscape opportunities, including wet and difficult land. A wide range of memorial options are available.

[Stone Embellishments](#)

Part of Welters Cemetery Art, the stone embellishments can be adorned to any flat surface, creating exciting stone artistry. The example image shows a selection of stone embellishments fitted to our side charging mausolea fronts, creating attractive friezes.
