

News story: Armed Forces Minister underlines UK commitment to Africa

From engineering support to the UN in South Sudan, to helping counter the threat from terror in Somalia, the Minister was able to see the breadth of the UK's role in Africa.

In Mogadishu, Mr Penning met British troops working with the African Union Mission in Somalia (AMISOM), which is building stability, and tackling the threat posed by Al-Shabaab.

Following travel to Bentiu and Malakal, the Minister was greeted by UK military personnel providing support to the UN Mission in South Sudan, which is working to achieve stability in the East African nation. Up to 400 personnel will deploy this year – making it one of the UK's largest operational deployments in the world – enabling the building of a field hospital to support UN peacekeepers.

As the visit moved to Uganda and Kenya, Mr Penning watched pre-deployment training of their military personnel, many of who go on to serve in AMISOM.

Minister of State for the Armed Forces Mike Penning said:

It has been a privilege to see our Armed Forces operating across multiple countries, in different environments, in support of our African partners. The training and support provided by our dedicated men and women clearly demonstrates that Britain has genuinely global reach. This is no less so in South Sudan where we are playing a major role in the international peacekeeping effort, meeting the commitment made by the Prime Minister last year to double our support to the United Nations.

In Uganda, Armed Forces Minister Mike Penning met UK troops supporting pre-deployment training for the African Union Mission in Somalia. Crown Copyright.

Throughout the visit the Armed Forces Minister met with Government ministers and UN representatives to help deepen Defence relationships, and discuss shared interests and regional challenges.

In Somalia, The Minister met President Mohamed Abdullahi Mohamed Farmajo, Prime Minister Hassan Ali Khayre, National Security Minister Mohamed Abukar Islow, and Mr Penning became the first international Minister to meet Somalia's new Defence Minister Abdirashid Abdullahi Mohamed. He also spoke with UN Special Representative Michael Keating.

After leaving Bentiu and Malakal, the Minister travelled to Juba and met Defence Minister Kuol Manyang Juuk, UN Special Representative David Shearer, and Commanding Officer of the UK engineers in South Sudan Lt Col Jason Ainley.

Uganda and Kenya provide important contributions to AMISOM, and in both countries Mr Penning saw UK delivered pre-deployment training.

In Uganda, the Minister saw Ugandan troops receiving training at the Peace Operations Training Centre, Singo, before meeting Defence Minister Adolf Mwesige in Kampala.

Finally, in Nairobi, the Minister met personnel from the British Army Training Unit Kenya, which trains thousands of UK troops every year.

Mr Penning also visited the Humanitarian Peace Support School and British Peace Support Team Eastern Africa, which deliver AMISOM pre-deployment and other training to international military personnel, before meeting Kenyan Defence Minister Raychelle Omamo.

[Press release: Appeal for information following pollution in Hampshire](#)

The Environment Agency were alerted to a pollution of oil on the River Anton close to Andover College on 4 April.

Since then, Environment Officers have been working on site to determine the source and reduce the impact on the environment, and booms have been deployed across the river to contain the pollution.

Adam Fulton, Area Duty Manager for the Environment Agency, said:

Our Environment Officers are working hard at the site to manage the environmental impact, and at the moment we have had no reports of

dead fish.

We will continue to investigate the source of pollution, and are asking anyone who might be able to assist our enquiries to call our Incident Hotline on 0800 807060.

Local rail improvements

I am all in favour of providing more seats and more train capacity locally for passengers. I have been pressing for better services.

I have recently been sent the plans for a two platform station at Green Park, and told of the works to extend the platforms at Wokingham to take longer trains.

The new Green Park stop will be between Reading and Mortimer on the Basingstoke line, near Kirtons Farm Road. The idea is to run a half hourly train service in each direction when it is completed.

If constituents have views on either of these projects please let me know.

Theresa May seems determined to turn a blind eye to inconvenient facts – Abbott

Diane

Abbott MP, Labour's Shadow Home Affairs Secretary, commenting on reports in the

Independent that Theresa May blocked attempts to highlight the impact migration

can have on the economy and public services during the EU referendum, said:

"This

raises serious questions about the Prime Minister's priorities.

"Exiting

the EU will mean reforming our entire immigration system. But doing so should not be at the cost of jobs and the economy.

“Unfortunately,
Theresa May seems determined to turn a blind eye to inconvenient facts.

“This
report should be published in full.”

Press release: Applications for permits received at Holmwood oilfield

These applications are for 1 bespoke Environmental Permit and 2 Standard Rules Permits. They have been submitted by the site Europa Oil and Gas Limited to begin exploration drilling for oil or gas at the site.

In deciding whether or not to issue the permits, the Environment Agency will take into account all relevant considerations and legal requirements.

You can view and comment on the [application](#).

An Environment Agency spokesperson said:

An environmental permit sets out stringent conditions that a site must adhere to. We will not issue an environmental permit for a site if we consider that activities taking place will cause significant pollution to the environment or harm to human health.

We are in the process of determining the applications to permit this site and we want to hear from the public and understand peoples’ views. Everybody has the chance to see what the bespoke permit may look like and to raise any additional concerns before we make any final decision.
