[Memorial Orb Rockery](#)

A beautiful stone memorial orb rockery. Each orb can be used for interment of cremated remains or memorial only. Suitable for any cemetery or crematoria grounds, woodland area, park or private garden.

[Inscription Services](#)

welters offer an inscription service on a large variety of material types, for many purposes. From remembering a loved one on a memorial headstone to creating a beautiful new name or number plate for your house, and anywhere in between.
