

## **Tell-tail signs**

A high-tech system involving 3D cameras could help UK farmers spot the early warning signs of tail biting in pigs – a health and welfare concern in affected pigs and an economic concern for industry.

---

## **And it's goodnight from Jim...**

An Ayr-based agricultural consultant has retired after almost 43 years with Scotland's Rural College (SRUC).

---

## **Staff prizes at SRUC – call for nominations**

The call for nominations is open for two SRUC Staff prizes.

---

## **Staff Prizes at SRUC – Call for nominations**

The call for nominations is open for two SRUC Staff prizes.

---

## **Top performers in a supporting role**

The SRUC Learner Engagement Team are celebrating after being awarded third place in the National Association for Managers of Student Services (NAMSS) Student Services Team of the Year 2017-18.
