

Seaweed is making waves in Scotland says top food & drink development team

Seaweed is one of the most popular products in development for our SAC Consulting Food & Drink team as consumer trends drive demand for food with health and nutritional benefits.

Happy farm

Researchers from Scotland's Rural College are launching a survey for farmers to get to the heart of the debate about what makes farm animals happy.

Create your own opportunities, new farmers told

Aspiring farmers were told to make their own opportunities at an event for new entrants to the agricultural industry this week.

Dairy farmers needed for M.Bovis study

Dairy farmers across Scotland are being urged to take part in a new study to help scientists better understand the spread of Mycoplasma bovis in cattle.

Torque of the farm

Record-breaking Scottish strongwoman Kim Best has borrowed one of her employer's six-tonne tractors while training for her next event.
