

## **Seaweed is making waves in Scotland says top food & drink development team**

Seaweed is one of the most popular products in development for our SAC Consulting Food & Drink team as consumer trends drive demand for food with health and nutritional benefits.

---

## **Happy farm**

Researchers from Scotland's Rural College are launching a survey for farmers to get to the heart of the debate about what makes farm animals happy.

---

## **Create your own opportunities, new farmers told**

Aspiring farmers were told to make their own opportunities at an event for new entrants to the agricultural industry this week.

---

## **Dairy farmers needed for M.Bovis study**

Dairy farmers across Scotland are being urged to take part in a new study to help scientists better understand the spread of Mycoplasma bovis in cattle.

---

## Torque of the farm

Record-breaking Scottish strongwoman Kim Best has borrowed one of her employer's six-tonne tractors while training for her next event.
