

Focus on fodder beet

Experts from SAC Consulting, part of SRUC, will be taking part in a free website focussing on how Scottish growers can maximise the potential of fodder beet.

Ch-ch-ch-ch-changes

From crimping the locks of David Bowie and Simon le Bon to cultivating plants, Mari MacRitchie is enjoying quite a change in lifestyle.

Rising to the challenge of climate change

A climate change researcher at Scotland's Rural College has reached the semi-finals of this year's Converge Challenge.

24-carrot student

An Ayr-based student has been given a personal factory tour after winning a 'wonky produce' competition.

Maximising Live Lambs

A Scottish sheep farmer who achieved "phenomenal" lamb loss results of only 6 per cent last year – around 10 per cent below the national average – will be among the speakers at a free industry event.
