

Bahrain and Israel: UK responds to announcement of normalisation

News story

The Foreign Secretary has issued a statement on the announcement of the normalisation of relations between Bahrain and Israel.

Foreign Secretary Dominic Raab said:

I warmly welcome this important agreement normalising relations between Bahrain and Israel. Full diplomatic relations between two of the UK's friends is excellent news.

I was pleased to discuss with Bahraini Foreign Minister Al Zayani during his visit to London earlier this week how normalisation would contribute towards peace in the region.
