

Beijing police detain suspect for verbally abusing women

Police have detained a suspect who appeared in an online video verbally abusing two women on a metro train in Beijing after the post went viral online on Saturday.

The video clip showed the suspect making abusive comments to the two women, grabbing a cell phone from one of them as the woman called a police hotline, and eventually pushing the woman out the train door at a station on Line 10.

Police said the 17-year-old suspect has been put under detention for interrogation.
