

Boogie ... from Alzheimer Scotland!

Following the success of the Original *Boogie in the Bar* in Aberdeen, Alzheimer Scotland's Dundee Dementia Resource Centre is launching its very own Boogie!

A Boogie is a community lead activity where people have an opportunity to come together to enjoy music, dancing and company.

There will be a professional DJ and thanks to the committee of the Lochee Bowling Club, Alzheimer Scotland has secured their fantastic premises for the event.

If you would like to come along to the first Dundee Boogie this Friday – 15th March – please contact the Dundee team at Alzheimer Scotland on 210200 to book your place.

Doors open at Lochee Bowling Club at 1.30pm and the Boogie runs from 2pm to 4pm.
