Event overview

It's the people who make an organisation and thus, they are the organisation's most critical asset. With that in mind, this half day seminar will explore workplace resilience, wellbeing as well as security and safety within your organisation. Speakers on the day will come from a variety of backgrounds including a Double Olympian and Captain of GB Athletics European Championships 2016. The seminar also provides an invaluable opportunity for networking as we bring together health and safety professionals, building and facility managers, security professionals, HR professionals, fleet managers and more from across the greater Manchester region.
