Helpful tips for local area

You should leave your passports in a hotel safe and use another form of ID:

e.g passport photocopy. Driving licences are not considered IDs in Bulgaria. You should maintain at least the same level of personal security awareness as in the UK. As in any other city beware of pickpockets and bag snatchers at airports, railway stations, around the town centre and when using public transport – only carry what you need and leave spare cash and valuables in hotel safety deposits. Tap water in Sofia is drinkable.
