

## Bus services heading to Stanley and The Peak resume their original routeing

â€‹The Transport Department (TD) said today (September 11) that with the completion of the emergency repair and road clearance works at Repulse Bay Road and Stubbs Road by the works departments, starting from the first departure today, Citybus route nos. 6, 6A, 6X, 14, 63, 66, 73, 260 and 973, which were truncated owing to road situations earlier, will resume their original routeing to Stanley; and Citybus route no. 15 will also resume its original routeing to The Peak.

Members of the public are advised to pay attention to radio/TV announcements, the TD's HKeMobility mobile application, websites of relevant bus companies on the latest public transport service news.
