

Cameroon: Applications for the UK government's prestigious Chevening Scholarships open 5 August 2019

Applications for Chevening Scholarships to study in the UK are open between 5 August and 5 November 2019, with applications to be submitted via www.chevening.org/apply .

Chevening Scholarships are awarded to individuals with demonstrable leadership potential who also have strong academic backgrounds. The scholarship offers full financial support for future leaders to study for any eligible master's degree at any UK university whilst also gaining access to a wide range of exclusive academic, professional, and cultural experiences.

Since the programme was created in 1983, over 50,000 outstanding professionals have had the opportunity to develop in the UK through Chevening. There are more than 1,500 scholarships on offer globally for the 2020/2021 academic year, demonstrating the UK's ongoing commitment towards developing the leaders of tomorrow.

Head of Scholarships at the Foreign and Commonwealth Office, Ben Coates, said:

Chevening represents the very best of the UK, welcoming exceptional people from across the world to study, grow, and thrive at some of the world's best universities. Chevening can be a transformative experience, not just for the scholars, but for their communities and countries as they return and use the benefit of their UK experience to make a positive difference in their chosen field.

Our universities promote the creation and exchange of information and ideas, as well as the building of knowledge and networks. Chevening Scholars find themselves immersed in that world, and leave the UK after their studies having grown academically, professionally, and personally as a result.

Since the programme started in 1983, many of those selected for this scholarship have gone on to become respected leaders across a range of sectors. Being a part of the Chevening network instils a strong sense of pride and responsibility, I have seen this first hand and am consistently impressed by the passion and commitment of the scholars and alumni I meet.

With our world facing countless challenges, the role that the Chevening community plays in building bridges and collaborating across borders to solve big issues is more important than ever.

Chevening's Head of Programme Management, Louise Thomson, said:

Chevening puts you in control of your experience. You can choose from over 12,000 master's courses at over 150 different higher education institutions. UK institutions consistently rank highly in global university rankings, so be prepared for an academically challenging and fulfilling experience.

We organise an exclusive programme of events and activities, enabling you to experience Britain's heritage and history, discuss international policy, and interact with thought leaders at a range of academic, cultural, and social events.

Recently, scholars have visited the UK prime minister's residence at 10 Downing Street, hiked up Mount Snowdon in Wales, exhibited art in London galleries, interned at the BBC, volunteered with the elderly, debated current affairs at the Cambridge Union, and sat in the home dressing room at Anfield. Some have even visited the locations where scenes from 'Game of Thrones' was shot. All this whilst studying on an intense master's course.

Chevening doesn't just open doors, it opens your mind. You will learn so much simply by interacting with people from all over the world, travelling around the UK in your spare time, and getting involved in the communities you live in. Those who get the most out of the experience are the ones who put the most into it.

With so much to learn and achieve, a year goes by faster than you can imagine. But your time in the UK is only the beginning of a life-long journey as a part of an international community of changemakers. Our hope is that you will leave the UK inspired, motivated, and better equipped to bring your own ideas to life.

British High Commissioner to Cameroon and Non-Resident Ambassador to Chad, Equatorial Guinea and Gabon, Rowan James Laxton, said:

We are looking for ambitious, professional, and innovative future leaders from any walk of life, who will study hard in the UK, and be open to immersing themselves in the opportunities that arise.

Chevening Scholars are incredibly diverse, so there is no such thing as a 'typical' scholar. That said, if you have demonstrable leadership qualities and you have a clear vision for the future you want to help shape, you are very likely to fit in with our community of over 50,000 alumni worldwide.

Our alumni network is full of dynamic influencers who have shared the same experience that you will. They can offer encouragement, mentorship, advice, and contacts. When you return home after your studies you should feel well-equipped to start making a real

difference professionally or socially.

There is a lot to potentially gain from submitting a thoughtful application, so if you have what it takes to be a Chevening Scholar, I would encourage you to apply before the 5 November deadline.

The call for new applicants follows the selection of 15 scholars from Cameroon who won an award to study at a UK university this year. Successful applicants have been sharing their stories through the #ChosenForChevening hashtag on Twitter and Instagram.
