Attention duty announcers, radio and TV stations:

Please broadcast the following special announcement immediately, and repeat it at frequent intervals:

"The Social Welfare Department announces that while Tropical Cyclone Warning Signal No. 3 has been issued, child care centres, centres providing after school care programmes, elderly services centres and day rehabilitation units, including sheltered workshops and integrated vocational rehabilitation services centres, which normally operate on Saturdays remain open. However, if necessary, members of the public can contact the centres to make arrangements for the safe return home of their children and family members."
