

Care centres to resume normal service if weather and conditions permit

Attention duty announcers, radio and TV stations:

Please broadcast the following special announcement immediately, and repeat it at frequent intervals:

"The Social Welfare Department announces that, due to the inclement weather, members of the public are advised not to take their children or family members to child care centres, centres providing after school care programmes, elderly services centres or day rehabilitation units including sheltered workshops, integrated vocational rehabilitation services centres, integrated vocational training centres and day activity centres. These centres will resume normal service in two hours after the cancellation of Tropical Cyclone Warning Signal No. 8 to serve those whose families cannot provide alternative care for them, if the weather and conditions permit. Members of the public who have a need for the services mentioned may contact the service units concerned in advance."
