Chairman of Hospital Authority tests positive for COVID-19

The following is issued on behalf of the Hospital Authority:

The Hospital Authority (HA) spokesman said today (November 27) that the Chairman of the HA, Mr Henry Fan, has tested positive for COVID-19. He is undergoing isolation in accordance with the guidelines of the Centre for Health Protection of the Department of Health.

Mr Fan last attended HA activity yesterday (November 26). He wore masks and followed relevant infection control measures. He has no recent travel history.

The HA will conduct thorough cleaning and disinfection operation at the Chairman office and offices concerned and will continue to implement disease prevention measures vigorously.
