

# Children deserve more from this Tory Government – Rayner

**Angela**

**Rayner, Labour's Shadow Education Secretary**, commenting on the letter from Core Cities UK to the Education Secretary, said:

"Schools are facing unprecedented cuts to their budgets and all the Tories have to offer are warm words about how they will help them make the savings.

"When headteachers are faced with the choice of keeping the lights on or letting go of teachers, this is galling to say the very least.

"Children deserve more from this Tory government who have created a school funding crisis, chronic teacher shortages and super-sized classes."
