

Classes of PM schools are suspended

Attention TV and radio duty announcers:

Please broadcast the following special announcement by the Education Bureau concerning schools, and repeat it at suitable intervals:

As the Red Rainstorm Warning Signal is now in force, classes of all PM schools are suspended this afternoon. AM and whole-day schools which are in session should continue until the end of school hours. They should ensure that conditions are safe before allowing students to return home.

If the Hong Kong Observatory issues the Amber Rainstorm Warning Signal or cancels all Rainstorm Warning Signals at or before 5pm, classes of evening schools will proceed as usual tonight unless advised otherwise.
