

Cleaning worker employed by Housing Department contractor at Tsz Lok Estate tests preliminarily positive for COVID-19

The Housing Department (HD) learned on February 7 that a cleaning worker employed by the contractor working at Tsz Lok Estate had tested preliminarily positive for COVID-19.

The cleaning worker is responsible for cleaning works at Tsz Lok Estate Property Services Management Office. She last performed duties on February 7. She has no recent travel history. She has been wearing face masks and observing relevant disease prevention measures at work.

The Property Services Management Office of Tsz Lok Estate had been thoroughly cleaned and disinfected in accordance with the guidelines of the Centre for Health Protection (CHP). All staff working in the same office were recommended to take the COVID-19 test.

The HD will continue to maintain close liaison with the CHP and co-operate with its disease prevention measures and quarantine work.
