

Collection: Green belt statistics

Updated: Added 'Local authority green belt statistics for England: 2017 to 2018'.

These statistics present information on designated green belt land in England by local authority.

Feedback

We are interested in understanding more about how our land use data is used and the decisions they inform. This is important for us so we can provide a high quality service which meets users' needs.

We would be grateful if you could spend 3 minutes completing this [survey](#). Otherwise contact us at planning.statistics@communities.gov.uk.
