

Collection: Problematic Waste Integrated Project Team

Updated: Problematic Waste Inventory Summary (May 2018) added

In order to support delivery of the NDA's 2016 Strategy, a Problematic Waste Integrated Project Team (IPT) was established in May 2016. Its objective is to develop a co-ordinated and improved approach to the industry-wide management of problematic radioactive waste. The IPT is being led by LLW Repository Ltd and RWM on behalf of the NDA and includes engagement with a range of stakeholders. Documents related to the IPT can be found on this section of the website.
