

Commissioners and providers of social care: Brexit planning update

These letters tell you what to do if there is a no-deal Brexit. This page will be updated if anything changes, including if a deal is agreed.

The letters ask the adult social care system to ensure business continuity plans are in place so local areas are able to manage the possible implications of Brexit.

They include plans relating to:

- medicines and consumables
- non-clinical consumables
- goods and services
- the adult social care workforce

The letters were published alongside the [Brexit operational readiness guidance for the health and social care system with a covering letter from Sir Chris Wormald](#).
