

Communication conjointe: un nouvel élan pour le partenariat Afrique-UE

The 5th Africa-EU Summit due to take place in November 2017 provides a critical opportunity for African and European Leaders to respond to this evolving context and reshape and deepen the Africa-EU partnership.

This Communication proposes a revitalised framework for joint action that the EU and its Member States could bring to the Summit and that could be reflected in a Road Map for 2018-2020. It envisages a stronger, deeper and more action-oriented strategic partnership for more prosperity and stability in the two continents. It sets out policy priorities and an initial set of concrete initiatives for 2018-2020 and beyond, to be coordinated and strengthened with EU Member States and further developed jointly with African partners, in response to Africa's own Agenda 2063 and building on the Global strategy for the EU's Foreign and Security Policy. It pays particular attention to the aspirations and needs of youth, whose involvement in the overall process will be strongly encouraged.

It contributes to the ongoing reflection, launched through the Joint Communication on A renewed partnership with the countries of Africa, the Caribbean and Pacific, which will inform the negotiations that will start in 2018, in view of renewing the EU's longstanding partnership with African, Caribbean, and Pacific countries, in particular the Africa pillar.

It is guided by international frameworks, such as the UN's 2030 Agenda for Sustainable Development, its Addis Ababa Action Agenda (AAAA) on financing for development and the Paris Agreement on climate change. It is consistent with other relevant EU policies.
