The CA approved the application by One TV for renewal of its non-domestic TV licence for 12 years, from February 6, 2025, to February 5, 2037 (both dates inclusive). Currently, there are nine non-domestic TV licensees providing around 150 satellite television programme channels for the Asia Pacific region.

The CA considered a complaint case about the television programme "Scoop" broadcast on November 25, 2023, on the Jade Channel of Television Broadcasts Limited (TVB). The CA decided that TVB should be warned to observe more closely the relevant provisions of the Generic Code of Practice on Television Programme Standards.
