

Community facility offer from Revival Church #dundeewestend

Many residents will know of the Revival Church situated in Taylor's Lane.

Pastor Stephen McCluskey of the church is taking forward some community initiatives such as school holidays breakfast and lunch for low-income families, in partnership with Dundee Bairsns.

However, he has also mentioned that the church facilities may be available for community and charity activities during 2020 and if any local group wishes to find out more, the church can be contacted [here](#).
