

Constituency email service

The Parliamentary email system has been the subject of a cyber attack. Yesterday I was able to get access to my Parliamentary emails and to answer them. Today the system has been closed, so I have no access. I am therefore unable to provide the same day reply service I usually offer, and will answer them as soon as I have access again.

Anyone with an urgent query should notify me through this website and leave me a contact so I can get back to them.
