

Construction of public landing facility at Tuen Mun Area 27 Breakwater in Castle Peak Bay proposed

The Government intends to construct a public landing facility near Tuen Mun Area 27 Breakwater in Castle Peak Bay to enhance public safety while boarding and alighting from vessels. The extent of the area of foreshore and sea-bed affected is described in a [notice](#) published in the Government Gazette today (July 31).

The proposed works, involving approximately 3,780 square metres of foreshore and sea-bed, are scheduled to commence at the end of this year for completion by the end of 2021.

The notice and its related plan are posted near the site. The plan is also available for inspection at:

- * Survey and Mapping Office of the Lands Department (23/F, North Point Government Offices, 333 Java Road, North Point, Hong Kong) (where copies can be purchased on order);
- * Tuen Mun Home Affairs Enquiry Centre of the Tuen Mun District Office (2/F, Tuen Mun Government Offices, 1 Tuen Hi Road, Tuen Mun, New Territories); and
- * Lands Department's website (www.landsd.gov.hk) under Government Notices.

Any person who considers that he or she has an interest, right or easement in or over the foreshore and sea-bed involved may submit a written objection to the Director of Lands, 20/F, North Point Government Offices, 333 Java Road, North Point, Hong Kong, within two months from the above-mentioned date, i.e. on or before September 30. The notice of such objection shall describe the interest, right or easement of the objector and the manner in which he or she will be allegedly affected.
