

Consultation on Draft Guidelines on disclosure requirements under the Prospectus Regulation

Responding to this paper

ESMA invites responses to the questions set out throughout this Consultation Paper. Responses are most helpful if they:

- respond to the question stated;
- contain a clear rationale; and
- describe any alternatives ESMA should consider.

ESMA will consider all responses received by **4 October 2019**.

Instructions

In order to facilitate analysis of responses to the Consultation Paper, respondents are requested to follow the below steps when preparing and submitting their response:

- Insert your responses to the questions in the Consultation Paper in the form “ESMA31-62-1333 Response form to CP on Draft Guidelines on disclosure requirements under the PR”, available on ESMA’s website alongside the present Consultation Paper (www.esma.europa.eu à ‘Your input – Open consultations’ – ‘Consultation on Draft Guidelines on disclosure requirements under the Prospectus Regulation’).
- Please do not remove tags of the type <ESMA_QUESTION_CPG_1>. Your response to each question has to be framed by the two tags corresponding to the question.
- If you do not wish to respond to a given question, please do not delete it but simply leave the text “TYPE YOUR TEXT HERE” between the tags.
- When you have drafted your response, name your response form according to the following convention: ESMA_CPG_nameofrespondent_RESPONSEFORM. For example, for a respondent named ABCD, the response form would be entitled ESMA_CPG_ABCD_RESPONSEFORM.
- Upload the form containing your responses, **in Word format**, to ESMA’s website (www.esma.europa.eu under the heading ‘Your input – Open consultations’ à ‘Consultation on Draft Guidelines on disclosure requirements under the Prospectus Regulation’).

Publication of responses

All contributions received will be published following the close of the consultation, unless you request otherwise. **Please clearly indicate by ticking the appropriate checkbox on the website submission page if you do not wish your contribution to be publicly disclosed.** A standard confidentiality statement in an email message will not be treated as a request for non-

disclosure. A confidential response may be requested from us in accordance with ESMA's rules on access to documents. We may consult you if we receive such a request. Any decision we make not to disclose the response is reviewable by ESMA's Board of Appeal and the European Ombudsman.
