

Consultation outcome: Live exports and improving animal welfare during transport: call for evidence

Updated: Added a short summary of the number of responses received to this call for evidence and what we've done with that evidence.

This call for evidence seeks views and information on all aspects of animal welfare in transport.

Once the UK has left the EU, we would like the welfare in transport regulatory regime to reflect scientific and veterinary knowledge. This evidence will help us determine how we'll meet the commitment to take early steps to control the export of live farm animal for slaughter.
