The legislation that will come into force in a no-deal Brexit will, subject to being approved by Parliament, automatically convert Community Marketing Authorisations (CMAs) into UK Marketing Authorisations (MAs) on 31 October 2019 (so-called 'grandfathering').

To facilitate the grandfathering process. The MHRA has sent a letter to MAHs that sets out the actions that companies are requested to take concerning authorised Community Marketing Authorisations (CMAs) or inflight CAPS.

We have allocated a PL number based on each presentation within the product range rather than a separate number for each pack size. This means that there will usually be fewer UK authorisation numbers issued compared with those issued by the European Medicines Agency.

If your company holds one or more CMA and has not received this second letter, please email capconversion@mhra.gov.uk so we can verify the appropriate contact details.
