□□□□

The COVID-19 pandemic has dramatically affected our world and our way of living, with the loss of thousands of lives and unprecedented consequences for every aspect of our daily existence. The Commission for Social Policy, Education, Employment, Research and Culture (SEDEC) at the European Committee of the Regions is preparing regular bulletins on the policy fields within its remit, reflecting recent research, articles and discussions on the socio-economic impact of the pandemic in Europe and on the different actions and response measures being planned and implemented at EU, national, regional and local level.

You can read [here](#) the fourth edition of the SEDEC Bulletin.
