

# Corporate report: Durham's National Nature Reserves

*Updated:* Updated the schools and education and volunteer section of the Castle Eden Dene reserve.

Details on the management, features, location, safety and contact information for Durham's NNRs:

- [Castle Eden Dene](#)
- [Derwent Gorge and Muggleswick Woods](#)
- [Durham Coast](#)
- [Moor House-Upper Teesdale](#)
- [Thrislington](#)

## **Research opportunities**

Some NNRs host students who are working on dissertations or similar projects. This provides the opportunity to study on a high quality site and to contribute to the research and management of the reserve.

Read [more information](#) about how we arrange these projects, the list of reserves that currently offer this facility and some suggested topic titles.
