

Corporate report: Environmental performance: sector strategies

Updated: Minor changes to the oil and gas sector strategy 2016 to 2020.

These 14 sector strategy reports give an overview of each sector's performance and annual emissions. They also list the Environment Agency's top environmental objectives for each sector to 2020.

See the [2016 datasets that support these strategies](#).

See the [2015 sector strategies](#).
