<u>Corporate report: Waste Metric</u> <u>Dashboard September 2018</u>

Updated: Latest Waste Metric Dashboard - for September

The National Waste Programme publishes a range of waste metrics to track progress and ensure that expected programme benefits are being delivered.

The metrics demonstrate:

- the successful diversion of waste away from disposal to the LLW Repository
- the optimal use of key national assets, such as the LLWR site and waste treatment facilities
- the safety and environmental performance of the National Programme.
