

# COVID-19 essential travel guidance

Following on from the government's guidance on [social distancing](#) in relation to COVID-19, people should avoid travelling unless it is essential.

This guidance is for people planning to visit second homes or holiday premises during the coronavirus (COVID-19) pandemic.

Essential travel does not include visits to second homes, camp sites, caravan parks or similar, whether for isolation purposes or holidays. People should remain in their primary residence. Not taking these steps puts additional pressure on communities and services that are already at risk.
