

Crowd safety management measures and special traffic arrangements for public order events on June 4

Police will implement crowd safety management measures and special traffic arrangements on June 4 (Tuesday) to facilitate the holding of two public order events on Hong Kong Island.

Crowd safety management measures

All the gates to Victoria Park will be opened to arriving participants, except for Gate 5 and 15.

Participants are encouraged to use public transport to go to Victoria Park and enter the venue through two ingress points: from the west via Gates 6 and 7 (entrances near Sugar Street and Great George Street) and from the east through Gate 14 (Hing Fat Street near Lau Sin Street). Participants arriving by MTR are advised to use exits A1 and A2 of MTR Tin Hau Station to reach Lau Sin Street and Gate 14 for convenient access to Victoria Park. Depending on the crowd situation, a queuing system will be initiated at Tin Hau Station Public Transport Interchange and the car park area along Hing Fat Street to facilitate the crowd (See diagram 1).

When the football pitches 1 to 6 are saturated, the event marshals will direct the participants coming from the east side to the Central Lawn via the South Boulevard, or direct those coming from the west side to the Central Lawn via the West Boulevard and then via the North Boulevard (See diagram 2).

When the Central Lawn is also saturated, the event marshals will direct the participants coming from the east side to the Band Stand via the East Boulevard and then the North Boulevard, or direct those coming from the west side to the Band Stand via the West Boulevard and then the North Boulevard (See diagram 3).

Depending on the crowd situation, a section of Gloucester Road service road will be closed to facilitate the arriving crowd to enter the venue. Participants are not allowed to gather at Gloucester Road service road at any time to avoid causing obstruction. Police will also implement crowd safety management measures along Gloucester Road service road to facilitate members of the public to enter the park.

For the safety of participants and other venue users, Police have designated both the South Boulevard and Middle Boulevard as the emergency vehicle access (EVA). In the event of an emergency where urgent assistance is required, vehicles may require speedy access along this route. Notices

demarcating the EVA will be posted by the Police.

To facilitate the arrival of participants, particularly to the Central Lawn area, Police will open up a section of the EVA between Gate 14 and the junction of Middle Boulevard and South Boulevard till about 8.30pm (See diagram 4). To keep the EVA clear is of paramount importance for the safety of participants. For such reason, participants are advised not to gather at the EVA at any time. All persons operating promotional or souvenir stalls should also avoid blockage of gates and ingress routes.

On the event day, there will be public announcements inside Victoria Park to keep participants informed of the latest situation and amendments to arrangements. Participants are requested to follow the directions given by the event marshals and Police officers on site.
