<u>Detailed guide: Cross-compliance for woodland owners and managers</u>

For clarification by the Forestry Commission on cross-compliance and how it affects you as a woodland owner or manager, read Cross-compliance requirements for forests/woodland: operations note 38. This gives you information on:

- cross-compliance in the Common Agricultural Policy (CAP) programme 2014 to 2020 for woodland (forest)
- the two separate sets of standards specific requirements relating to European Regulations, known as 'Statutory Management Requirements' (SMRs) and standards for 'Good Agricultural and Environmental Condition' (GAEC) of land
- when and how you need to comply with cross-compliance rules
- which woodland schemes and payments are affected
- breaches and sanctions
- exemptions and derogations

Read broader guidance for farmers and landowners on how you must <u>follow</u> <u>cross-compliance rules</u> from 1 January 2018 if you claim for the <u>Basic Payment Scheme (BPS)</u>, a Countryside Stewardship scheme or the English Woodland Grant Scheme (EWGS).
