

[Detailed guide: Request a map from the Forestry Commission](#)

Allow two weeks for delivery if you plan to apply before an application window closes.

The Forestry Commission only accepts application maps if they are on an Ordnance Survey MasterMap® base.

We have adopted Ordnance Survey MasterMap® as the required map standard for applications. MasterMap® is the most up-to-date large-scale digital map of Great Britain and is recognised as the mapping standard.

Request a map for your grant or felling application

Download, print and complete the [Map Request Form](#) and send it to your [the Administrative Hub](#).

You should provide a copy of another map clearly highlighting the full area that needs to be on the print that shows the National Grid Reference of a point near the centre of the highlighted area.

Alternatively, give the grid references for the 4 corners of the area you need. Make sure that the whole area of the application is included within the 4 points.

We provide all maps at A3 size and orientated landscape or portrait depending on the application area.
