

DH clinics service arrangement today

The Department of Health (DH) today (November 14) announced that owing to disruptions in transportation services, some DH clinic services will be affected as staff cannot report duties on time. The department will try its best to resume service as soon as possible.

If those with appointments may not be able to attend their scheduled consultation due to possible traffic disruptions at various districts, they can call the clinics to reschedule the appointments later. There is no need to worry and rush for the consultation appointments.
