

DH social hygiene clinic service arrangements

The Department of Health (DH) today (September 28) announced that the Wan Chai Female Social Hygiene Clinic and the Wan Chai Male Social Hygiene Clinic under the DH's Social Hygiene Service will resume normal services with effect from October 5.

The social hygiene services of the two clinics were suspended earlier due to the situation of COVID-19. The social hygiene clinics to remain suspended include the Yau Ma Tei Female Social Hygiene Clinic, the social hygiene services of the Chai Wan Social Hygiene Clinic and the evening services of the Yau Ma Tei Male Social Hygiene Clinic (which provides services on Tuesdays).

Please visit the following websites for the information on social hygiene clinics:
