

DH's collection points of deep throat saliva samples suspended

Attention duty announcers of radio and television stations:

Please broadcast the following message as soon as possible and repeat it at suitable intervals:

The Department of Health (DH) today (October 13) announced that, as the Tropical Cyclone Warning Signal No. 8 is now in force, the collection points of deep throat saliva samples for COVID-19 testing set up in ten designated chest clinics or dermatological clinics under the DH will be suspended.
