

DH's Red Ribbon Centre and Yau Ma Tei Elderly Health Centre to resume service

The Department of Health (DH) today (May 23) announced that as some designated clinics under the Hospital Authority had ceased operation, the clinics and service units under the DH that are situated at the same locations as the designated clinics will resume service.

â€‹

Red Ribbon Centre will resume public service tomorrow (May 24). Meanwhile, Yau Ma Tei Elderly Health Centre will reopen on May 26 to provide booked medical consultation services for members.

Please visit the websites of the respective clinics and service units or contact the relevant units directly for details of the service resumption. These websites can also be accessed via the DH website (www.dh.gov.hk).
