

DIAL-OP and GO – looking for volunteers

**We are
Looking for
Volunteers**

Would you like to volunteer but don't have much time?

Our opportunities are flexible and can work around you, from as little as 30 minutes a week, and from the comfort of home.

We are looking for enthusiastic volunteers for our **Morning Call** and **Blether Buddies** services. Morning Calls are short calls made between 8am & 10am and are just a quick check to see all is well, Blether Buddies is a weekly telephone befriending call of around 30 minutes.

Full training will be given and out of pocket expenses covered. For more details give us a call on 01382 305757 or email dialop@dvva.scot We look forward to hearing from you.
